

# Risk Disclosure

---

Trading Forex and CFDs involves significant risk and can result in the loss of your invested capital, yet users willing to take the risk can make high profits from the trades performed. Trading leveraged products may not be suitable for all investors. Before using Reflecto, please take into consideration your level of experience, investment objectives, specialized knowledge or seek independent financial advice if necessary.

Reflecto is not liable for any losses incurred or profits made by the user as a result of subscription to a certain trading strategy. Please, choose the trader you wish to follow responsibly. Note that traders, whose strategies are presented at Reflecto, act at their discretion. Subscribing to traders, the user is solely responsible for all risks assessments and executed trades.

All profits made in the past do not guarantee the same profits in the future. You should not invest more than you can afford to lose and should ensure that you fully understand the risks involved.

Reflecto acts exclusively as responsible for the website in its capacity as provider of an information service, not being responsible for the contents that users may send or publish.

Reflecto will not be responsible for the quality of the service, the speed of access, the correct functioning, the availability and continuity of operation of the website.
